

# REXLACE

## Hoppy Bunny Instructions

### Materials:

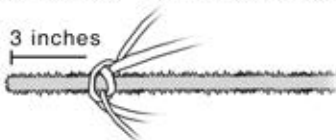

- Two 6 yard pieces of REXLACE
- One 12" - 18" chenille stem (a.k.a. a pipe cleaner)
- Two wiggle eyes
- Two small (4"-5") pipe cleaners (for whiskers) and bunny ears
- Pom-pom for bunny tail
- Glue (white craft or hot glue)

### Directions:

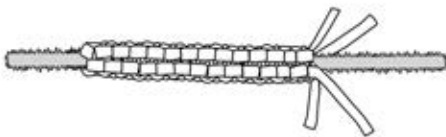

1. Form a Starter Stitch. Use an EZ Gimper or visit our website for instructions.

2. Stick a pipe cleaner into the middle of the stitch. The pipe cleaner should stick out 3" from the bottom.

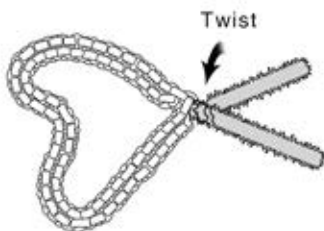

3. Continue to stitch around the pipe cleaner.

4. Glue then trim excess REXLACE.

5. Twist pipe cleaners together and shape the bunny's body.

6. Fold down the ears. Decorate with wiggle eyes, poms and pipe cleaners.
